An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In the claims—

In claims 32-35 change "Withdrawn" to – Original --.

This application is in condition for allowance except for the presence of claim 31 directed to an invention non-elected without traverse. Accordingly, claim 31 has been cancelled.

Claims 32-35 as set out above in the Examiner's amendment are rejoined with claims 17-30. Claim 31, while part of the same inventive group as claims 32-35 does not contain all of the limitations of the allowed elected invention (in that the limitations of the elected group are not explicitly recited or implied as being present in claim 31 by virtue of being dependent on an allowed elected claim) and is accordingly not subject to rejoinder.
